"This is a new Holocaust" – Haim Yativ and Dr. Seligmann

by **Brian Shilhavy**
Editor, Health Impact News

We have previously reported how Israel rapidly vaccinated the highest percentage of their population with experimental COVID vaccines after the Israeli government struck a bargain with Pfizer to secure millions of doses of their mRNA COVID vaccines.

Vera Sharav wrote:

> It is astonishing that the government of Israel entrusted the health of the people to Pfizer; by entering into a secret contract that enrolled the Israeli population to become research subjects, without their knowledge or consent.

Are More People Being Harmed by the Pfizer Experimental "Vaccine" than from COVID? Israeli Population Now the World's Lab Rats Sold Out to Pfizer

To date, Israel has vaccinated over 53% of their population, twice the percentage of the next closest nation, Britain, with 26.9%.

The “official news” published by the corporate media claiming that the vaccines have been effective in reducing rates of COVID in Israel has been scrutinized and examined by Aix-Marseille University Faculty of Medicine Emerging Infectious and Tropical Diseases Unit’s Dr. Hervé Seligmann and engineer Haim Yativ, who published their results on a discussion forum website called “Nakim.”

The information quickly went viral, and has now been translated into several languages and addressed on various news sites around the world, including Arutz Sheva 7, IsraelNationalNews.com.

Mordechai Sones writes:

> A front-page article appeared in the *FranceSoir* newspaper about findings on the *Nakim* website regarding what some experts are calling “the high mortality caused by the vaccine.”
>
> The paper interviews Aix-Marseille University Faculty of Medicine Emerging Infectious and Tropical Diseases Unit’s Dr. Hervé Seligmann and engineer Haim Yativ about their research and data analysis.

> They claim that Pfizer’s shot causes “mortality hundreds of times greater in young people compared to mortality from coronavirus without the vaccine, and dozens of times more

Dr Hervé Seligmann works at the Emerging Infectious and Tropical Diseases Research Unit, Faculty of Medicine, Aix-Marseille University, Marseille, France. He is of Israeli-Luxembourg nationality. He has a B. Sc. In Biology from the Hebrew University of Jerusalem, and has written over 100 scientific publications.

FranceSoir writes that they follow publications, data analyzes, and feedback from various countries on vaccination, and have therefore taken an interest in the *Nakim* article, asking to interview them in order to understand their analysis and its limitations.

The authors of the article declare they have no conflicts or interests other than having children in Israel.

After a presentation, the authors discussed their data analysis, the validations carried out, limitations, and above all, their conclusions that they compare with data received via a Health Ministry Freedom of Information Act request.

Their findings are:

- *There is a mismatch between the data published by the authorities and the reality on the ground.*
- *They have three sources of information, besides the emails and adverse event reports they receive through the Internet. These three sources are Israeli news site Ynet, the Israeli Health Ministry database, and the U.S. federal Vaccine Adverse Event Reporting System (VAERS) database.*
- *In January 2021, there were 3,000 records of vaccine adverse events, including 2,900 for mRNA vaccines.*
- *Compared to other years, mortality is 40 times higher.*
- *On February 11, a Ynet article presented data related to vaccination. The authors of the Nakim article claim to have debunked this analysis based on data published by Ynet itself: "We took the data by looking at mortality during the vaccination period, which spans 5 weeks. By analyzing these data, we arrived at startling figures that attribute significant mortality to the vaccine."*
- *The authors say "vaccinations have caused more deaths than the coronavirus would have caused during the same period."*
- *Haim Yativ and Dr. Seligmann declare that for them, "this*

Mordechai Sones also has his own radio broadcast in Israel, and a few weeks ago he began his broadcast by reading the names of 28 people who have died following the Pfizer experimental COVID mRNA injections.

The list begins with some elderly Rabbis, but also includes young people who reportedly had no existing health problems and died suddenly, including a 25-year-old woman.

After reading these 28 names, Mordechai states:

> The list continues, but cannot be brought here in its entirety due to time constraints.

An Israeli man who posted this reading on YouTube stated:

> I made this short video with an audio broadcast of Mordechai Sones; so that I could pass on the information that many people here in Israel have been dying after receiving the Pfizer Covid-19 Vaccine.
>
> **But none of this information seems to be making it into the mainline media.**
>
> I am calling on everyone to pray and seek the Lord to have this evil thing stopped immediately.

Here is the video from our Rumble Channel, and it is also on our Bitchute Channel.

I think it is safe to conclude that what is happening in Israel right now with the massive roll out of the experimental Pfizer COVID mRNA vaccine is a test of what the Globalists desire to roll out in other countries around the world, so everyone should be watching carefully what Israel is doing right now to see what is probably coming to the U.S. and other countries around the world.

From Mordechai Sones' Facebook Page.

Israel has now started a "Green Pass" program that requires people to show proof of COVID vaccination to gain entrance to "registered" places of business. This was published yesterday, 2/28/21 in The Jerusalem Post:

> The country is expected to further return to routine on Sunday and to facilitate this, the Health Ministry will roll out its "green passport" program.
>
> A green passport will be required to enter certain places and to participate in certain activities. Only people who

> As part of the program, registered gyms, theaters, hotels, concerts and synagogues will be able to operate starting next week.
>
> “We are giving a huge line to vaccinators,” Health Minister Yuli Edelstein said on Thursday during an extensive briefing.
>
> “This is the first step back to an almost normal life.”

Welcome to the new “almost normal.” Will the Israelis and other populations around the world comply with this?

Canadian physician Dr. Andrew Moulden provided clear scientific evidence to prove that every dose of vaccine given to a child or an adult produces harm. The truth that he uncovered was rejected by the conventional medical system and the pharmaceutical industry. Nevertheless, his warning and his message to America remains as a solid legacy of the man who stood up against big pharma and their program to vaccinate every person on the Earth.

Dr. Moulden died unexpectedly in November of 2013 at age 49.

Because of the strong opposition from big pharma concerning Dr. Moulden's research, we became concerned that the name of this brilliant researcher and his life's work had nearly been deleted from the internet. His reputation was being disparaged, and his message of warning and hope was being distorted and buried without a tombstone. This book summarizes his teaching and is a must-read for everyone who wants to learn the "other-side" of the vaccine debate that the mainstream media routinely censors.

Due to much reporting on supposed "excess" deaths from the "pandemic", I had chosen to start analyzing yearly deaths, across numerous countries, going back 10+ years.
What I have found thus far:
Discoverable/available death numbers, from the very few countries providing such data, has shown little to no evidence of "excess" deaths.
Whereas deaths have generally risen over the past year, so has population, thus death rates (population/deaths) are within normal ranges.
Total deaths rise, in most countries, most every year.

Several countries have seen greater rises in past years compared to last year, without the declaration of a pandemic in those past years.
So why the Big Freakout this past year?

But what is most revealing, is how hard that death data is to find, even from the national Statistical Agencies of countries tasked with tracking & reporting that data.
Many are delayed 6+ months, thus little current data is available.
Which makes me question how the media was able to proclaim "excess" deaths.

Taking a look at the U.K., in another revelation, is how U.K. official population and death numbers, via the Office of National Statistics, differ substantially from U.N. reported numbers.
Much of the data from the ONS is merely estimates.

Japan, in another interesting case, has seen deaths rising to such a great extent, year after year since ~2005, that total deaths now outpace total births.
Thus Japan's population has been declining since ~2005.

And that rising death rate year-after-year is true of most all countries I've examined so far.
Which makes me question why, in these supposedly "more-developed" countries, are yearly death rates continuing to rise?
I hear a lot of bragging about the advancements in "medicine", yet that "advanced

In a slightly off-topic, but related matter, I have a friend who's kid was just diagnosed with Autism.
Again, looking at numbers of diagnoses of Autism, those rates are rapidly climbing.
As are generally rates for Alzheimers, Parkinsons, MS, and many other diseases and ailments.

It seems to me that we are living in the Dark Ages of the 21st Century.
Medicine, like a lot of supposed knowledge in current era, seems more rooted in superstition than true knowledge.

Israel has been fabricating social media news pieces that appeal to the liberal human rights groups. In those fake stories, they claim that “Israel is denying the vaccines to Palestinians, and reserving all the stock piles strictly for jews” By using this reverse psychology, the jews have been trying to lure the Arab-Israeli and Palestinian population to the vaccine tents to get the shots. But the Palestinians know better. They won’t have it, and it’s pissing off the jews. They are so evil.

There is a Scripture which reveals who that claim they are Jews, but are not. ‘Revelations 3:9 “Behold, I will cause those of the synagogue of Satan, who say that they are Jews, and are not, but lie—behold, I will make them to come and bow down at your feet, and to know that I have loved you.” Often in history, the government turns against its own people–this is why Democratic Government have Constitutions and a Bill of Rights is attached, because those on top could possibly turn against their own citizens. Just because a government turns nefarious, it doesn´t mean the entire population.is evil. Israel has upright citizens who love the Torah, and then there are those who are just secular and sometimes even atheists living among them. The same is true for America, not all Americans are “ugly” like the name of that movie, there are many beautiful citizens in every nation.God is love and he looks for those whose hearts are tender toward Him.

Thank you Julia. As I have written in other places, the word “Jew” has many meanings, and it is wrong to think it only means one kind of person.

This is how Jesus referred to the ruling “Jews” of his day:

> "If you were Abraham's children," said Jesus, "then you would do the things Abraham did. As it is, you are determined to kill me, a man who has told you the truth that I heard from God. Abraham did not do such things. You are doing the things your own father does."
>
> "We are not illegitimate children," they protested. "The only Father we have is God himself."
>
> Jesus said to them, "If God were your Father, you would love me, for I came from God and now am here. I have not come on my own; but he sent me. Why is my language not clear to you?
>
> Because you are unable to hear what I say. You belong to your father, the devil, and you want to carry out your father's desire. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies." (John 8:39-44)

Well, isn't that special. The Jews doing to themselves, what the Nazis did to them 80 years ago.

Isn't that interesting?
The Nazis didn't truthfully acknowledge their activities, purposes & intents of their death programs.
They most often widely promulgated those euthanasia programs as "compassionate medicine".
Aktion T4 for example was described/administered a "mercy deaths" (Gnadentod).

It wasn't until much later in the war period that these extermination programs were more well known.
I've read reports that those trying to expose these extermination programs in early years were often ridiculed as "crazy".
Certainly no one would intentionally commit mass murder of civilians.

Imagine if the same is occurring today.
Would that be so "crazy" to consider?
Imagine if there are some diabolical minds whose true plan is to reduce

for some time.
